

Dear Friends,

This is our biggest filing deadline for the entire season.

In just **12 days** we will be judged: by the press, by the political establishment and by our friends and neighbors. **We are down to the wire. We need to raise \$12,000 in the next 12 days.**

**This is the moment.**

Please **seize that moment** with me now by [clicking right here and making a donation.](#)

We are at Make or Break time. That's why I'd love if you'd step up to the plate and make your **strong** donation to our campaign today.

We are better than the political establishment. We won't take PAC money. We're too good and too clean for that.

**That means I need to count on you.**

This is your campaign. This is my campaign. **This is our campaign.**

We need everybody aboard, and everybody aboard today. [\*\*So help us by digging deep as the moment is now. >>\*\*](#)

Our fight for working people and the heart of Main Street is heating up fast. You can see it in my recent endorsements and our growing grassroots team.

We need to keep momentum every day to win this thing, and we need your help to do it.

[\*\*Help us reach our \\$12,000 goal by making your STRONGEST donation to date by clicking here right now. >>\*\*](#)

I look forward to seeing you very soon on the campaign trail!

Thank you so much for your support,

Marisa DeFranco
