

Dear Friend,

We are on our way to the ballot!

Over the last two weeks, our awesome crew of volunteers has been out in the cold, snow and rain collecting the signatures we need to get on the ballot.

The response from voters has been incredible and I want to get back out there and join them, but I have to make sure we continue to have resources.

Our grassroots, clean-money campaign is gaining ground, but we need your support today to keep it going. [Please support our campaign right now by clicking here.](#)

***I'm about to hit a crucial end of the month fundraising deadline.*** We need to show an additional \$5,000 in funding in the next 5 days. Your help at this moment in the campaign is crucial. [Please make donation to help us make the strongest possible showing by clicking here now.](#)

We depend on your support to compete with the likes of PAC & K-street funded opponents (hey, check it just invented a new acronym...PACK candidates).

Help put me back in the field where a grassroots candidate belongs. And send the others PACK-ing!

My warmest,
