

Dear Dedicated Supporters!

This is it! We are in the final 44 days, and we need you now in order to win this thing! (Lots to report, so please read to the end for event and announcement).

You have stayed with us for the entire marathon, and now we need the resources to sprint this last mile. You saw our awesome ad last week that Maura sent to you--the more you give, the more we can get our positive ad up on the airwaves and reach thousands of voters.

You have all been so helpful, and we are within reach of victory because of you. [We just need to ask you one more time to open your wallets, get out your checkbooks, check that couch for spare change and contribute as much as you can. Please make a \\$25, \\$50, \\$100, \\$250 or \\$500 contribution today.](#)

Here is just a sample of all the things we've accomplished just within the last month, with your help and support!

2. [Launching our ad! No small feat that--those 30 seconds look like a breeze, but it took a full 8 hours to get there!](#)
