

Dear Marisa,

My name is John O'Brien and I am the Southern Essex County Register of Deeds. In September, I decided to endorse Marisa DeFranco's candidacy for the United States Senate. Marisa was the first candidate to reach out to me and lend her support to my efforts in helping homeowners who have had their chains of title damaged by major lenders.

I was impressed by Marisa's knowledge of the mortgage fraud situation and her courage in standing up to these major lenders and to the powers that be on Wall Street. In addition, Marisa has been recognized as a Top Woman of Law by Massachusetts Lawyers Weekly, and we need that type of talent in the Senate.

That is why I'm asking you to lend a hand to Marisa today. She needs our help. Please consider contributing \$5, \$10, \$25 or whatever you can reasonably afford by clicking here to make a secure contribution.

She will be a strong voice for homeowners and people's property rights when she is elected as our new United States Senator and I look forward to working alongside her. It is not often that I endorse a candidate in the Democratic primary election but Marisa is an exception.

Click here to contribute \$5, \$10, \$25 or more today. We need a fighter in the Senate. Marisa is the one who can deliver the fighting spirit Massachusetts desperately needs.

Thank you for taking the time to read this. Let's win this race for Massachusetts' working families.

Respectfully,

John O'Brien
