

Dear Friend,

We are proud and honored to announce a National Endorsement of our campaign!

[The National Women's Political Caucus has endorsed our campaign!](#) "Marisa DeFranco's experience as a human rights advocate and an attorney makes her a powerful ally for women in D.C. We are excited to see the changes that her hard work will bring," said NWPC President Linda Young.

Powerful ally.

In a week when women are under attack, receiving two blows from the Supreme Court, now more than ever we need to redouble our efforts and send to Congress more women who have experience fighting for women.

You all know my record is second to none when it comes to standing up for women's rights.

[As long as I have grassroots supporters like you, I know we can stand up to the entrenched powers that be that sideline, put down, belittle, dismiss and attack women. Can you give \\$20 today to keep our campaign running strong?](#)

I am especially proud to receive the National Women's Political Caucus's endorsement because as a uniquely non-partisan, grassroots organization, they set the example of how we all have to work together to break down that brick wall of sexism.

Whether it's women's freedom, our private healthcare decisions, safety or equal pay, women like me are going to keep fighting no matter what the Supreme Court throws at us.

[You can help us stay in this fight and win it. Make a \\$20, \\$50, \\$100 or \\$200 contribution today to give our team the resources we need in the sprint to the finish line of this campaign.](#)

Thank you for all of your continued support.

Marisa
