

Dear Friends & Supporters!

I hope you saw Marisa's email about our **HUGE February deadline quickly approaching**. In just 48 hours, we need to make a strong showing to keep our momentum going.

You know Marisa will always stand up for you--

Although it's been mighty cold out there for the loyal volunteers collecting signatures, the warmth and support of so many voters who already know Marisa and are eager to sign has been heartwarming for them.

Volunteers tell me they are proud to tell signers that Marisa is the only candidate in this race who's running a Clean Money Campaign and that she will be beholden only to the people in her district and to no one else.

Marisa is of, by, and for Main Street, not Wall Street, not K Street.

That's why she needs every single one of us to chip in **today**. [Marisa needs your help. Can you click here to contribute now?](#)

Thank you for standing strong with us!

Volunteer & Signature Coordinator

P.S. Many signers are surprised that Marisa is the only woman in this race. As only 18.5% of Congress is women, signers agree we need more women down there in D.C.

Dear Friend,

We are on our way to the ballot!

Over the last two weeks, our awesome crew of volunteers has been out in the cold, snow and rain collecting the signatures we need to get on the ballot.

The response from voters has been incredible and I want to get back out there and join them, but I have to make sure we continue to have resources.

Our grassroots, clean-money campaign is gaining ground, but we need your support today to keep it going. [Please support our campaign right now by clicking here.](#)

I'm about to hit a crucial end of the month fundraising deadline. We need to show an additional \$5,000 in funding in the next 5 days. Your help at this moment in the campaign is crucial. [Please make donation to help us make the strongest possible showing by clicking here now.](#)

We depend on your support to compete with the likes of PAC & K-street funded opponents (hey, check it out...they just invented a new acronym...PACK candidates).

Help put me back in the field where a grassroots candidate belongs. And send the others PACK-ing!

My warmest,

A handwritten signature in blue ink that reads "Marisa". The signature is fluid and cursive, with a long, sweeping tail that extends downwards.
