[But in order to survive the onslaught and slugfest, I need your help more than ever now. Our opponents pockets are deep, and outside money is flooding into this race. We need to dig deeper. Can you help today?](#)

We know we have the momentum to win. We need your help in this final push in these last 18 days. This is it, it is now or never. This is our moment.

[This is the moment you decide if you want true democracy to win and you want real people to have a real voice in Congress and if you want to show once and for all that substance matters and that our Congress, the people's Congress is not for sale to the highest bidder with the richest friends. Can you make a donation to take us over the finish line and to victory?](#)

Thank you!
Marisa
