

## **Hello Friends!**

Who says 13 is an unlucky number? On this day in history, in 1866, by a vote of 120 to 32, the U.S. House of Representatives passed the 14th Amendment, establishing Civil Rights for all in the bedrock of our Constitution.

But it took more than luck--it took 120 Congressmen of conscience. If only 20 votes had gone the other way, who knows how long women and African Americans and all other disenfranchised people would have had to wait for civil rights to be the law of the land.

Flash forward to today--Congress is doing nothing as grand as the 14th Amendment. In fact it is doing nothing.

**But did you hear the amazing news? Today is your lucky day! You don't have to put up with a do-nothing Congressman doing nothing in a do-nothing Congress anymore.**

This is incredible and awesome news for We The People!

Let's beat the powers that be with the only thing that has ever won the big fights in America--people power.

Let's show them what a real Representative of the people looks like--one who has been out here in the real world fighting for women's civil rights, men's civil rights, LGBT civil rights, and the civil rights of all people **disenfranchised by the DC-K Street-Wall Street-PAC money machine.**

Let's show them that our race is just the tip of the iceberg and let's crush that despicable mass of dirty big money into itsy bitsy pieces and throw them into the trashbin of history.

Let's be part of this exciting dawn of a new day where **ideas rule over money and solutions and substance rule over the status quo. Goodbye to do-nothing Congressmen! Hello to the Real Deal.**

**[Let's get energized--we need your help today! We need 13 new donors to give \\$25, \\$50, \\$100, \\$200, \\$500 or more today! Will you one of them?](#)**

For our tried and true supporters, thank you for sticking with us and believing that a total rehab of our politics is possible. **[If you can help us out once again and give \\$25, \\$50, \\$100, \\$200, \\$500 or more today, we will continue our amazing journey together, create our own luck by banding together, topple the tyranny of incumbency and actually get this country moving again.](#)**

Let's make 2014 the luckiest number for We The People!

Let's win!

Thank you!
